Rector's Report

-The Bishop is coming on August 2nd. She wants to meet with Mother Allison on July 17 in preparation for the August 2nd visit. We would like to do a Welcome Home Breakfast for the Bishop's visit- we will ask people to bring things that morning.

-Tuesday at the tower, Mother purchased drink tumblers that we can put the church name on. She also purchased squishy balls. We need people to sit at the table each Tuesday to represent the church.

-Shed repair - Dina called Jamie Diller for a referral. Matthew Statzell Building came out. He gave a quote to fix the sheds - He will put more expensive materials on the sides to prevent water damage. Matt Statzell is also going to replace the shed doors. The estimate came out to just under \$10,000. Jamie Diller agreed to give us \$5,000 towards the repairs. A motion was made to accept the proposal and go forward with the repairs. The motion was seconded and approved.

Senior Warden

-Family Promise -This is a ministry we were previously involved in. It has changed over the years and they now have a place that families can stay overnight. Joan Langston has been involved with them in St. Mary's name for years. They need groceries/meals that the families can prepare themselves. Lillian will call to get more information and how we can help.

-We previously talked about doing a church open house in July. Ideas were shared about what to do. No date has been set yet.
